

Thank you for your interest in applying for our Food Ventures program! As of 2024/25, we have a new online application form. You can access the Food Ventures form at beta.perennia.ca/foodventures

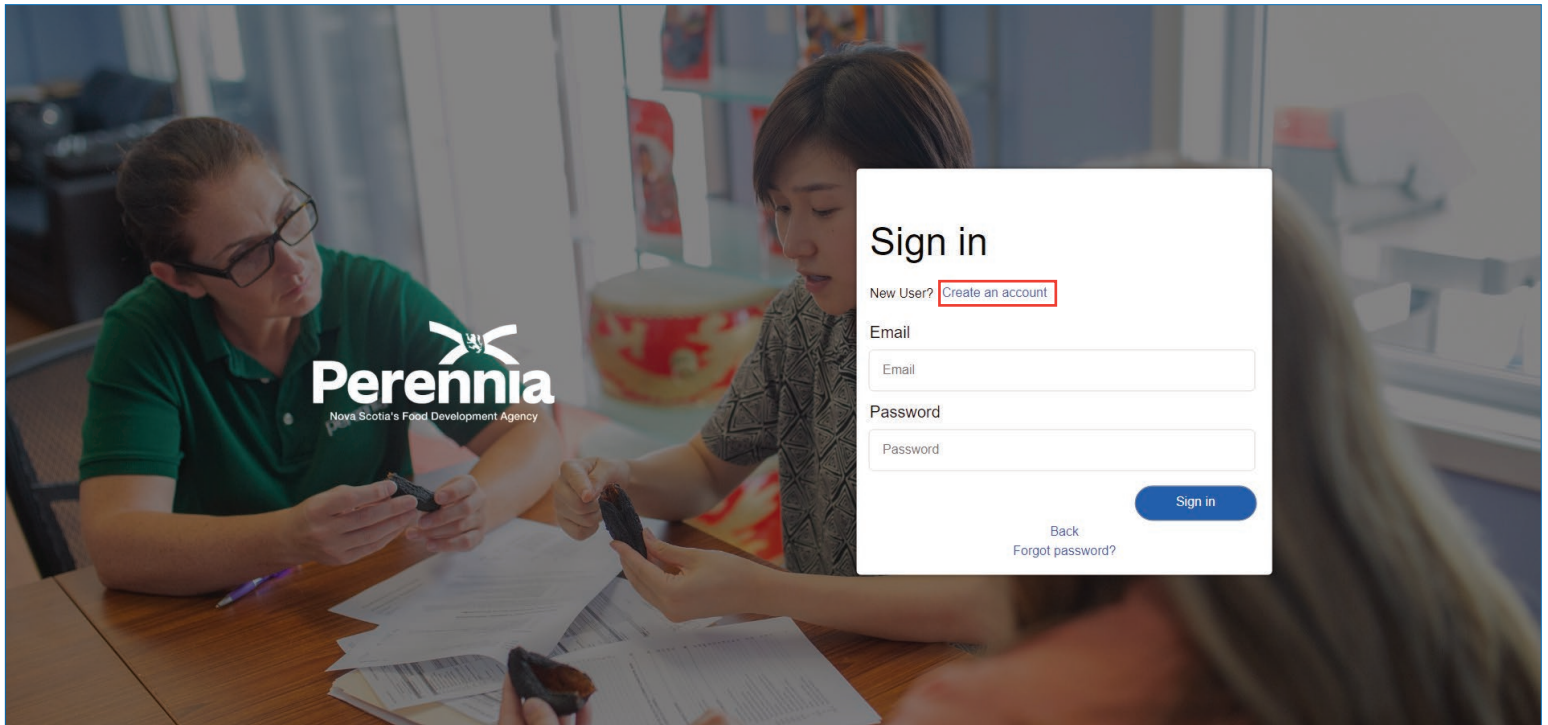

Once you click on the link to the application, you will be redirected to the application landing page.

To apply using the online form, you must first create an account. You can create an account by clicking 'Sign In' at the top of the application landing page.

From there, you will be asked to create an account. As a new user, you can click the 'Create an Account' option.

Once you have filled out the information needed to create your account, you will then be able to access the online Food Ventures application. Here you can fill in all the information you need to complete the application. Please note that the application must be completed in one sitting, there is no option to save and return at another time.
